

Transport for Your Waiheke Wedding

Firstly, congratulations!

Waiheke Island is one of the most amazing wedding venues in New Zealand.

We offer a premium service to get all your Wedding guests to the venue at the same time.

We can transfer directly from the Waiheke Ferry Terminal, or any accommodation location on the island.

All your special guests will arrive on time and get home happy and safe at the end of a memorable night.

Our executive fleet of vehicles means that we can cater to the needs of each guest.

It may sound complicated to move 50 to 200 people from ferry terminals and multiple accommodation places. Not for us, we have developed an efficient system over the last 15 years that can do just that.

Put the transportation of you and your guests into our hands and then you can sit back and relax. We get everyone to where they need to be.

We handle every aspect of transport logistics for your wedding day.

Avoid the most common mistake

Which is not booking your transportation at the same time as your wedding venue.

There is a shortage of taxis on Waiheke Island at key times.

This includes the last two passenger ferries and closing times for vineyard restaurants.

This is the exact time you will be needing transfers to take your guests' home.

Book early so that our transport service is assigned exclusively to you and your wedding guests.

Frequently Asked Questions

Q: How do you transfer our guests to the wedding?

Most Weddings will have some guests staying on the island and some travelling from Auckland.

For guests coming from Auckland:

- We send an air-conditioned coach to meet the group at the ferry terminal.
- The driver personally meets the group with a signboard with your group name written on it.
- The guests will be escorted to the coach and transferred to your venue in time for the ceremony.

For guests staying on the island:

- They usually stay in Motels, Apartments, Holiday Baches, or with friends
- Supply us with a list of these details and we can dispatch vehicles to these locations and collect your guests at similar times
- If these locations are not accessible by larger vehicles, we will send individual taxis to collect the guests
- We can also collect from main centre bus stops if that is more convenient.
- Waiheke Executive Transport is the only company that has a fleet of vehicles that can offer this individual type of service.

Q: How do you transfer our guests to home after the wedding?

Most guests will stay until the end of your reception but there may be some who appreciate an earlier courtesy transfer. Numbers are flexible on the evening and departure times are up to you. Below is a sample timetable. Please note 12 midnight is the latest we can take bookings for coach transfers from a private venue. For Vineyard restaurants and licensed premises, it is 1am.

Example departure times:

- 10.30pm for the 11pm ferry
- 11pm for accommodation on the island
- 12.00 midnight for the 12.30am ferry
- 12:00 midnight for accommodation

Q: Can you adapt to our changing wedding plans?

Wedding planning usually starts months out and we fully understand that you won't have accurate numbers until your invitations have been confirmed.

Initially you only need to estimate the numbers to book the transport for your event.

As a starting point, if you expect 100 guests, we will assume that 50 are on island and 50 are coming from Auckland.

This can be easily adjusted once you have more exact figures.

We allow changes to the plan up to two weeks out from the event so you can add or subtract numbers from the list. It will also take some time to find out where everyone is staying, so again, this information is only needed in the last two weeks.

If your guests don't supply all the locations, we can set times for a pickup at the main centre bus stops such as Onetangi, Ostend, Palm Beach and Oneroa. If there are last minute changes on the day, you can call our Duty Manager and he will arrange these for you.

Q: What packages can we choose from?

Full Transfer Package:

- Transfer to the event from main centre accommodation (Oneroa, Palm Beach, Ostend, Onetangi) and ferries.
- Return Transfers at the end of the evening to ferries and accommodation.

Return Only Package:

- End of the evening transfers to Ferries and main centre accommodation (Oneroa, Palm Beach, Ostend, and Onetangi).
